Boutique Russian River Vineyard

The beautiful homesite includes approximately 2 acres of premium Russian River Valley Pinot Noir. Over the past 30 years, the Russian River Valley AVA has gained a reputation as the preeminent growing region for Pinot Noir and Chardonnay on the North Coast. This is due to its rich valley soils and climatic influences including abundant sunshine, moderated by the cooling influence of the coastal fog.

The vineyard was planted in 2003 on 8 x 5' spacing with Clone 777 on 5C rootstock. It has historically averaged 5 tons per acre with the fruit being sold to premier wine producers at District Average pricing. This type of premium vineyard setup provides the new owner an opportunity to continue selling the fruit for profit or incubate a wine brand of their and take advantage of their own exceptional estate Pinot Noir.

About Cru Land Company

Cru Land Company is a boutique Real Estate brokerage and advisory firm whose primary focus is investment-grade agricultural land. We provide landowners, investors, and premium wine-producers local expertise and a platform for growth within the rapidly accelerating Agricultural Investment space.

David J. Carciere

David Carciere's Real Estate career began as a California Certified General Appraiser with a focus on recreational and agricultural land. In 2010 he was a founding partner at First Leaf Land Acquisitions where he spent a decade brokering agricultural and vineyard land sales. During that period, he also had first-hand experience on the wine-production side with his family's wine label, Suacci Carciere Wines, as well as on the grower side operating the Donnelly Creek Vineyard in Anderson Valley.

Understanding the intersection of the Real Estate, growing and production sides of agriculture gives David a unique perspective when both evaluating vineyard and agricultural land and, as importantly, analyzing potential investment opportunities.

David holds a Bachelor of Science degree in Industrial Engineering from Cal Poly San Luis Obispo and a master's degree in Land Economics and Real Estate from the Mays Business School at Texas A&M where he worked as a graduate assistant under research economist Dr. Charles Gilliland. He is a licensed Real Estate Broker in the state of California and is active in the California Association of Farm Managers and Rural Appraisers, as well as the Sonoma County Farm Bureau.

Michael and his wife Christy own and manage multiple rental properties in both residential and agricultural locales. This first-hand experience gives Michael's clients a useful perspective on local Real Estate Investment Strategy as well as expertise in permitting, land use, well and septic, contract negotiation, vineyard management, and overall land strategy.

Michael currently resides in Sonoma county, where he helps to run and manage his wife's family ranch, which was established in 1848.
